

MELKSHAM OPEN GARDENS

Sunday 23rd July 2017

Another year has gone by and once again the Melksham Committee of The Children's Society is organising an Open Gardens afternoon. This will be the 18th time this event has taken place and it gives great pleasure to visitors who come from both Melksham and further afield to see the gardens, at the same time raising money for projects such as providing safe houses and access to help for the 100,000 children who run away from home each year often ending up sleeping rough on the streets.

Gardeners who enter Melksham in Bloom have always been very supportive of this event and other gardeners join in to make it a really worthwhile occasion so we would like to invite you to open your garden for us this year.

All arrangements will be made by the local committee of the Children's Society including publicity, insurance, teas and ticket sales. If you would like more information before making a decision, please contact Lesley Windebank (01225 790639).

Open Gardens is a scheme that has been tried in many towns and villages and brings great pleasure to garden lovers and in doing so raises money for charity.
